Privacy Act Notice: Section 111 of title 17 of the *United States Code* authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address, and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

E Secondary Transmission Service: Sub- scribers and Rates	<p>SECONDARY TRANSMISSION SERVICE: SUBSCRIBERS AND RATES</p> <p>In General: The information in space E should cover all categories of secondary transmission service of the cable system, that is, the retransmission of television and radio broadcasts by your system to subscribers. Give information about other services (including pay cable) in space F, not here. All the facts you state must be those existing on the last day of the accounting period (June 30 or December 31, as the case may be).</p> <p>Number of Subscribers: Both blocks in space E call for the number of subscribers to the cable system, broken down by categories of secondary transmission service. In general, you can compute the number of subscribers in each category by counting the number of billings in that category (the number of persons or organizations charged separately for the particular service at the rate indicated—not the number of sets receiving service).</p> <p>Rate: Give the standard rate charged for each category of service. Include both the amount of the charge and the unit in which it is generally billed. (Example: "\$20/mth"). Summarize any standard rate variations within a particular rate category, but do not include discounts allowed for advance payment.</p> <p>Block 1: In the left-hand block in space E, the form lists the categories of secondary transmission service that cable systems most commonly provide to their subscribers. Give the number of subscribers and rate for each listed category that applies to your system. Note: Where an individual or organization is receiving service that falls under different categories, that person or entity should be counted as a subscriber in each applicable category. Example: a residential subscriber who pays extra for cable service to additional sets would be included in the count under "Service to the first set" and would be counted once again under "Service to additional set(s)."</p> <p>Block 2: If your cable system has rate categories for secondary transmission service that are different from those printed in block 1 (for example, tiers of services that include one or more secondary transmissions), list them, together with the number of subscribers and rates, in the right-hand block. A two- or three-word description of the service is sufficient.</p>

F Services Other Than Secondary Transmissions: Rates	<p>SERVICES OTHER THAN SECONDARY TRANSMISSIONS: RATES</p> <p>In General: Space F calls for rate (not subscriber) information with respect to all your cable system's services that were not covered in space E, that is, those services that are not offered in combination with any secondary transmission service for a single fee. There are two exceptions: you do not need to give rate information concerning (1) services furnished at cost or (2) services or facilities furnished to nonsubscribers. Rate information should include both the amount of the charge and the unit in which it is usually billed. If any rates are charged on a variable per-program basis, enter only the letters "PP" in the rate column.</p> <p>Block 1: Give the standard rate charged by the cable system for each of the applicable services listed.</p> <p>Block 2: List any services that your cable system furnished or offered during the accounting period that were not listed in block 1 and for which a separate charge was made or established. List these other services in the form of a brief (two- or three-word) description and include the rate for each.</p>

IMPORTANT NOTICE ABOUT THIS STATEMENT OF ACCOUNT

Statutory Changes: Congress passed the STELA Reauthorization Act of 2014 (“STELARA”), which the President signed into law on December 4, 2014, as Public Law 113-200. Read the law at <http://copyright.gov/legislation/pl113-200.pdf>. For more information on this law (H.R. 5728), visit the FAQ page on the Copyright Office website at <http://copyright.gov/licensing/stelara.html>.

Filing Fees: Effective January 1, 2014, pursuant to the Satellite Television Extension and Localism Act of 2010 (STELA), which granted authority to the Copyright Office to establish fees for the filing of statements of account (SOAs) under the section 111, 119, and 122 statutory licenses, the Office now assesses filing fees for *all* SOAs for current, past, and future accounting periods. For details, see the *Federal Register*, November 29, 2013 (78 FR 71498 <http://www.copyright.gov/fedreg/2013/78fr71498.pdf>). Please be advised that the filing fee is deducted *before* the royalty payment is credited; thus the omission of the appropriate filing fee will result in an underpayment of royalty fees. Please remit the royalty fee and filing fee in **one EFT payment**. (SOA₃ filing fee: \$725).

Low Power Television Stations: STELARA expanded the definition of a “local market” for low power television stations beginning with the January 1–June 30, 2015, accounting period. See page iv of the General Instructions.

Multicast versus Simulcast: *Multicast* is a digital stream of programming that is transmitted by a television broadcast station and is not the station’s primary stream. *Simulcast* is a multicast stream of a television broadcast station that duplicates the programming transmitted by the primary stream or another multicast stream of such station.

Photocopy Required (Paper Filings Only): A legible copy of the semiannual statement of account must be submitted together with the original statement of account to the Copyright Office. **Note:** If replying to Licensing Section correspondence or if submitting revisions or amendments to your original SOA, please do not include extra photocopies of the SOA pages affected. Only one original version of revised SOA pages is required with your reply letter, together with a single copy of any Licensing Section correspondence.

Fillable SOAs Available Online: Access the fill-in statement of account form at www.copyright.gov/forms/sa3.pdf. Complete it on a personal computer and print it out. Or print out the form and complete it by hand in dark ink. Give all the required information.

Electronic Payment of Royalty and Filing Fees Required: Effective July 1, 2022, the Copyright Office moved to a single EFT payment method and strongly encourages the use of Pay.gov for current, past, and future royalty and filing fee payments. For detailed instructions, see Circular 74 at www.copyright.gov/circs/circ74.pdf. Your remittance, which must include the royalty payment and appropriate filing fee, should be made payable to *Register of Copyrights*. Contact your bank to determine if your account will accept an Automated Clearing House (ACH) debit.

Remittance Advice Required: Federal regulations [37 CFR 201.17(k)] require you to attach a remittance advice to your statement(s) of account. A copy of this remittance advice must be sent by email or fax to the Licensing Section. The Office uses this remittance information to ensure the funds received by EFT are correctly allocated to each statement of account. Access a remittance advice form at www.copyright.gov/licensing/remittance-advice.pdf.

Ceased Operations Procedures: If your cable system completely shut down operations during the accounting period, report the facts as they existed on the last day of operations and submit the SOA with the associated royalty and filing fee payments and a cover letter informing the Licensing Section of ceased operations. If your cable system had no subscribers or gross receipts during the entire accounting period, do not submit the SOA or any fees. You do not need to notify us in this case.

Important: Review Filings: Please review all elements of your filing(s) before submitting them. Filing properly, including an accurate advice, facilitates processing of your statement(s) of account and payments, minimizes the need for us to contact you with questions, and reduces administrative and other costs.
