

**Short Comment Regarding a Proposed Exemption
Under 17 U.S.C. 1201**

Item 1. Commenter Information

David Graf

Email address: doobls@hotmail.com

Item 2. Proposed Class Addressed

Proposed Class 8: *Audiovisual works – space-shifting and format-shifting*

Item 3. Statement Regarding Proposed Exemption

In regards to DVD ripping, this should be legal as dvds are becoming obsolete so much so that they aren't even on laptops anymore. I would like to actually be able to bring my library of dvds to my computer rather than buy all of them over again because that is pointless especially when everything is more expensive than ever. Please do the right thing.
