**Privacy Act Notice:** Section 111 of Title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address, and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

| <p><b>In General:</b> In space G, identify every television station (including translator stations and low power television stations) carried by your cable system during the accounting period, except (1) stations carried only on a part-time basis under FCC rules and regulations in effect on June 24, 1981, permitting the carriage of certain network programs [sections 76.59(d)(2) and (4), 76.61(e)(2) and (4), or 76.63 (referring to 76.61(e)(2) and (4))]; and (2) certain stations carried on a substitute program basis, as explained in the next paragraph.</p> <p><b>Substitute Basis Stations:</b> With respect to any distant stations carried by your cable system on a substitute program basis under specific FCC rules, regulations, or authorizations:</p> <ul style="list-style-type: none"> <li>• Do not list the station here in space G—but do list it in space I (the Special Statement and Program Log)—if the station was carried only on a substitute basis.</li> <li>• List the station here, and also in space I, if the station was carried both on a substitute basis and also on some other basis. For further information concerning substitute basis stations, see page (v) of the general instructions located in the paper SA3 form.</li> </ul> <p><b>Column 1:</b> List each station's call sign. Do not report origination program services such as HBO, ESPN, etc. Identify each multicast stream associated with a station according to its over-the-air designation. For example, report multi-cast stream as "WETA-2". Simulcast streams must be reported in column 1 (list each stream separately; for example WETA-simulcast).</p> <p><b>Column 2:</b> Give the channel number the FCC has assigned to the television station for broadcasting over-the-air in its community of license. For example, WRC is Channel 4 in Washington, D.C. This may be different from the channel on which your cable system carried the station.</p> <p><b>Column 3:</b> Indicate in each case whether the station is a network station, an independent station, or a noncommercial educational station, by entering the letter "N" (for network), "N-M" (for network multicast), "I" (for independent), "I-M" (for independent multicast), "E" (for noncommercial educational), or "E-M" (for noncommercial educational multicast). For the meaning of these terms, see page (v) of the general instructions located in the paper SA3 form.</p> <p><b>Column 4:</b> If the station is outside the local service area, (i.e. "distant"), enter "Yes". If not, enter "No". For an explanation of local service area, see page (v) of the general instructions located in the paper SA3 form.</p> <p><b>Column 5:</b> If you have entered "Yes" in column 4, you must complete column 5, stating the basis on which your cable system carried the distant station during the accounting period. Indicate by entering "LAC" if your cable system carried the distant station on a part-time basis because of lack of activated channel capacity.</p> <p>For the retransmission of a distant multicast stream that is not subject to a royalty payment because it is the subject of a written agreement entered into on or before June 30, 2009, between a cable system or an association representing the cable system and a primary transmitter or an association representing the primary transmitter, enter the designation "E" (exempt). For simulcasts, also enter "E". If you carried the channel on any other basis, enter "O." For a further explanation of these three categories, see page (v) of the general instructions located in the paper SA3 form.</p> <p><b>Column 6:</b> Give the location of each station. For U.S. stations, list the community to which the station is licensed by the FCC. For Mexican or Canadian stations, if any, give the name of the community with which the station is identified.</p> <p><b>Note:</b> If you are utilizing multiple channel line-ups, use a separate space G for each channel line-up.</p> |                  |                    |                            |                                      |                                                                                                                              |             |

**Privacy Act Notice:** Section 111 of Title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address, and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

**Privacy Act Notice:** Section 111 of Title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address, and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

This figure should correspond with the information given in space J. Calculate only one DSE for each station.<br><b>Column 3:</b> For each station, give the total number of hours that the station broadcast over the air during the accounting period.<br><b>Column 4:</b> Divide the figure in column 2 by the figure in column 3, and give the result in decimals in column 4. This figure must be carried out at least to the third decimal point. This is the "basis of carriage value" for the station.<br><b>Column 5:</b> For each independent station, give the "type-value" as "1.0." For each network or noncommercial educational station, give the type-value as ".25."<br><b>Column 6:</b> Multiply the figure in column 4 by the figure in column 5, and give the result in column 6. Computation of Base Rate Fee

Instructions:

You must complete this part of the DSE schedule for the SUM OF PERMITTED DSEs in part 6, block B; however, if block A of part 6 was checked "Yes," use the total number of DSEs from part 5.

• In block A, indicate, by checking "Yes" or "No," whether your system carried any partially distant stations.

• If your answer is "No," compute your system's base rate fee in block B. Leave part 8 blank.

• If your answer is "Yes" (that is, if you carried one or more partially distant stations), you must complete part 8. Leave block B below blank.

What is a partially distant station?

A station is "partially distant" if, at the time your system carried it, some of your subscribers were located within that station's local service area and others were located outside that area. For the definition of a station's "local service area," see page (v) of the general instructions.

BLOCK A: CARRIAGE OF PARTIALLY DISTANT STATIONS

• Did your cable system retransmit the signals of any partially distant television stations during the accounting period?

☐ Yes—Complete part 8 of this schedule.

☒ No—Complete the following sections.

| <p><b>IMPORTANT:</b> It is no longer necessary to report television signals on a system-wide basis. Carriage of television broadcast signals shall instead be reported on a community-by-community basis (subscriber groups) if the cable system reported multiple channel line-ups in Space G.</p> <p><b>In General:</b> If any of the stations you carried were partially distant, the statute allows you, in computing your base rate fee, to exclude receipts from subscribers located within the station's local service area, from your system's total gross receipts. To take advantage of this exclusion, you must:</p> <p><b>First:</b> Divide all of your subscribers into subscriber groups, each group consisting entirely of subscribers that are distant to the same station or the same group of stations. Next: Treat each subscriber group as if it were a separate cable system. Determine the number of DSEs and the portion of your system's gross receipts attributable to that group, and calculate a separate base rate fee for each group.</p> <p><b>Finally:</b> Add up the separate base rate fees for each subscriber group. That total is the base rate fee for your system.</p> <p>NOTE: If any portion of your cable system is located within the top 100 television market and the station is not exempt in part 7, you must also compute a Syndicated Exclusivity Surcharge for each subscriber group. In this case, complete both block A and B below. However, if your cable system is wholly located outside all major television markets, complete block A only.</p> <p><b>How to Identify a Subscriber Group for Partially Distant Stations</b></p> <p><b>Step 1:</b> For each community served, determine the local service area of each wholly distant and each partially distant station you carried to that community.</p> <p><b>Step 2:</b> For each wholly distant and each partially distant station you carried, determine which of your subscribers were located outside the station's local service area. A subscriber located outside the local service area of a station is distant to that station (and, by the same token, the station is distant to the subscriber.)</p> <p><b>Step 3:</b> Divide your subscribers into subscriber groups according to the complement of stations to which they are distant. Each subscriber group must consist entirely of subscribers who are distant to exactly the same complement of stations. Note that a cable system will have only one subscriber group when the distant stations it carried have local service areas that coincide.</p> <p><b>Computing the base rate fee for each subscriber group:</b> Block A contains separate sections, one for each of your system's subscriber groups.</p> <p>In each section:</p> <ul style="list-style-type: none"> <li>• Identify the communities/areas represented by each subscriber group.</li> <li>• Give the call sign for each of the stations in the subscriber group's complement—that is, each station that is distant to all of the subscribers in the group.</li> <li>• If:             <ol style="list-style-type: none"> <li>1) your system is located wholly outside all major and smaller television markets, give each station's DSE as you gave it in parts 2, 3, and 4 of this schedule; or,</li> <li>2) any portion of your system is located in a major or smaller television market, give each station's DSE as you gave it in block B, part 6 of this schedule.</li> </ol> </li> <li>• Add the DSEs for each station. This gives you the total DSEs for the particular subscriber group.</li> <li>• Calculate gross receipts for the subscriber group. For further explanation of gross receipts see page (vii) of the general instructions in the paper SA3 form.</li> <li>• Compute a base rate fee for each subscriber group using the formula outline in block B of part 8 of this schedule on the preceding page. In making this computation, use the DSE and gross receipts figure applicable to the particular subscriber group (that is, the total DSEs for that group's complement of stations and total gross receipts from the subscribers in that group). You do not need to show your actual calculations on the form.</li> </ul> | <b>8</b><br><br><b>Computation<br/>of<br/>Base Rate Fee<br/>for<br/>Partially<br/>Distant<br/>Stations, and<br/>for Partially<br/>Permitted<br/>Stations</b> |
