**Privacy Act Notice:** Section 111 of title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

If you need more space, please add additional rows to the tables.<br><b>Column 1:</b> Give the title of every nonnetwork television program ("substitute program") that, during the accounting period, was broadcast by a distant station and that your cable system substituted for the programming of another station under certain FCC rules, regulations, or authorizations. See page (v) of the general instructions for further information. Do not use general categories like “movies” or “basketball.” List specific program titles, for example, “I Love Lucy” or “NBA Basketball: 76ers vs. Bulls.”<br><b>Column 2:</b> If the program was broadcast live, enter “Yes.” Otherwise enter “No.”<br><b>Column 3:</b> Give the call sign of the station broadcasting the substitute program.<br><b>Column 4:</b> Give the broadcast station’s location (the community to which the station is licensed by the FCC or, in the case of Mexican or Canadian stations, if any, the community with which the station is identified).<br><b>Column 5:</b> Give the month and day when your system carried the substitute program. Use numerals, with the month first. Example: for May 7 give “5/7.”<br><b>Column 6:</b> State the times when the substitute program was carried by your cable system. List the times accurately to the nearest five minutes. Example: a program carried by a system from 6:01:15 p.m. to 6:28:30 p.m. should be stated as “6:00–6:30 p.m.”<br><b>Column 7:</b> Enter the letter “R” if the listed program was substituted for programming that your system was <i>required</i> to delete under FCC rules and regulations in effect during the accounting period; enter the letter “P” if the listed program was substituted for programming that your system was permitted to delete under FCC rules and regulations in effect on October 19, 1976. |                                                           |                        |                       |                                   |                     |                        |
