RE: BellSouth Telecommunications, LLC / (2018-1) System ID: 63180 (Abita Springs, LA)

Dear Sir/Madam:

I am enclosing an amended statement of account (“SOA”) for the above-captioned system with the lead community of Abita Springs, LA. The \$150 amended filing fee, additional royalty fee, and interest is being remitted via E.F.T.

The SOA is being submitted due to the inadvertent omission of gross receipts from Subscriber Groups I & III. in the original filing.

The additional royalty fee sum now due is \$672.30. The total sum to be remitted by the filer is \$829.13 (\$672.30 + \$150 (amended filing fee) + \$6.83 (interest)). Other than the recalculation of the royalty fee now due, no other substantive changes have been made.

I state under penalty of perjury that the foregoing is true and correct. Please direct all inquiries to Susan Redding at 972-269-1938 or sr7272@att.com.

Sincerely,

/s/ Robert LaGrone
