RE: BellSouth Telecommunications, LLC / (2018-1) System ID: 63595 (Gainesville, FL)

Dear Sir/Madam:

I am enclosing an amended statement of account (“SOA”) for the above-captioned system with the lead community of Gainesville, FL. The \$150 amended filing fee, additional royalty fee, and interest is being remitted via E.F.T.

The SOA is being submitted due to the inadvertent understating of gross receipts in the original filing.

The additional royalty fee sum now due is \$18.21. The total sum to be remitted by the filer is \$168.36 (\$18.21 + \$150 (amended filing fee) + \$0.15 (interest)). Other than the recalculation of the royalty fee now due, no other substantive changes have been made.

I state under penalty of perjury that the foregoing is true and correct. Please direct all inquiries to Susan Redding at 972-269-1938 or [sr7272@att.com](mailto:sr7272@att.com).

Sincerely,

/s/ Robert LaGrone
